

Energex Padlock

Meter Box Clasp Kit – Includes Clasp, Padlock & 2 Keys

Secure your meter box by purchasing an Energex Padlock.

This is an Energex approved lock providing you with keys that will allow you to open the meter box and still enable the meter reader to open it using their Energex Master Key.

Why choose to install a Meter Box Padlock?

This will stop anyone tampering with your meter box for example, turning off power to your home or business including your CCTV/Alarm System.

Price \$180.00 inc. GST
